## **Digital Photography Project**

### **Objective**

To encourage the use of digital photography in a creative and purposeful way to capture events, people, and the world around us.

1. Project must adhere to all contest rules listed on the Texas Media Awards website.
2. Project will be limited to one print of a single digital photograph. Multiple photos within a single mat do not qualify.
3. Project may be matted, single-layer only. Matting is not required.
4. Project must not exceed 11" x 14", mounted or unmounted.
5. Project must be postmarked by the entry deadline listed on the Texas Media Awards website. Include
  - a. Printed entry form or verification email
  - b. Single printed photo in an appropriate envelope
  - c. Fee payment if not paid online
  - d. Mail to **Texas Media Awards**  
**Texas Library Association**  
**3355 Bee Cave Road, Suite #401**  
**Austin, TX 78746-6763**
6. Project will not be returned.

### **Judging Criteria**

1. Project must be appropriate for school and public presentations.
2. Entries will be judged on:
  - a. Content
  - b. Organization
  - c. Creativity/Originality
  - d. Complexity
  - e. Technical Quality

Awards will be presented at the Texas Library Association Annual Conference. See the Texas Media Awards website for the conference date and location.
