

Time Capsule Letter Writing Prompts

The best advice I've been given is....

The worst thing I have ever witnessed is....

“Live everyday as if you've come back in time from a dystopian future to try and prevent everything from breaking.” – Charlie Jane Anders

How does living with this quote as your life's motto change the way you live your life?

A mistake I have made that I would like someone else to avoid making is.....

If I could stop one historical event from happening it would be...

Because of _____, I _____.
