Power Up at Your Library Week

October 1-7, 2017

Between the covers of a book lies the freedom to imagine and discover new worlds and adventures. Reading expands our minds and inspires curiosity, opening doors to endless possibilities. It has the ability to thrill us, make us laugh, bring us to tears and move us to new ways of thinking. Most importantly, reading instills our next generation of leaders a love of learning and paves the path to a lifetime of academic, professional and personal success.

As you celebrate the importance of libraries in communities across Texas, First Lady Cecilia Abbott joins me in wishing you the best.

In testimony whereof, I have signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin, this the 21st day of July, 2017.

Greg Abbott
Governor of Texas
